PARENTING

Parenting classes provide a wonderful opportunity to bond with your child. Share in activities with your child that will stimulate social, emotional, physical and intellectual growth. Recent studies are showing that a pre-school experience better prepares your child for success in school and beyond. Many of these parenting classes provide that type of experience for the child and positive parenting techniques and other skills to reinforce at home what is learned in the classroom.

Children must attend classes with a registered adult. The adult registering for the class can be the parent, grandparent, neighbor or guardian.

Enrollment is limited during the SCE registration period to TWO CLASSES in the parent and child series. After the SCE in-person registration period ends, additional enrollment is encouraged in any open classes.

Please make note! During our construction Cypress classes will be held in CE-3, which can be accessed off of Holder Street.

CLASS SCHEDULE SUBJECT TO CHANGE: SCE has made every reasonable effort to determine that this class schedule is accurate; however, changes may occur after press time.

CLASS ATTENDANCE: Students are expected to attend all classes, or the class may be cancelled. Non-tuition classes may be discontinued during the trimester if attendance drops. Tuition classes, however, will continue according to schedule once they have started.

WEEKEND POLICY: It is a practice that SCE classes do not normally meet on a weekend following a Friday District Holiday or preceding a Monday District Holiday. Instructors should discuss this practice with their students. In the event it appears necessary for a class to be held on such a weekend, this would constitute an exception to the general practice. At that time, the instructor must discuss this need with the program coordinator or dean to ensure site and classroom availability. If approval is obtained from the coordinator or dean, this special arrangement for that weekend class will be communicated, notifying students, instructor, office staff and security. It is intended this procedure will meet program standards and be of direct benefit to students.

BOOKSTORES: The bookstore can be reached for the following locations:
Anaheim Campus (714) 808-4675
Cypress Campus (714) 484-7336
Wilshire Campus (714) 992-7557

IN-CLASS REGISTRATION: You must be present at the first meeting of any class where in-class registration takes place or you may lose your spot to someone else. A minimum number of students must attend the first class meeting. Non-tuition classes may be discontinued during the trimester if attendance drops. Tuition classes, however, will continue according to schedule once they have started. NOTE: In-class registration is on a "first come, first served" basis, so arrive on time!

WHERE DO YOU REGISTER? No matter where the class is held, students can register at any of the four SCE campuses: Anaheim (Second Floor), Cypress (Pkg Lot 4: Bldg CE8-5), Wilshire (Bldg 100), Yorba Linda (Bldg 100). **You may also register on-line at www.sce.cc.ca.us by following the WebStar Registration Instructions on the web.**

CHILDREN IN CLASS: No children are to attend adult classes.

MINOR STUDENTS: SCE classes are open to those 18 years or older who have been admitted to SCE and are not attending school. Students under 18 who have not graduated from high school may infrequently be permitted to attend under special circumstances. It is advisable to contact the administrator (Dean or Provost) at the site where the class is offered prior to obtaining the required permission letter from the school the minor student is currently attending. If permission to enroll is granted by the Dean or Provost, the minor student may enroll only after the regular registration period so that priority is given to adult students. Children of any age may take Kids' College classes as indicated in the course descriptions.

NAME CHANGE: Students are encouraged to visit one of the SCE campuses to request a name change prior to registration. Students must provide a picture ID when requesting a name change. No name changes will be made during the three days of registration.

PARKING

PARKING FEES: Permit parking spaces are limited. Remember a parking permit does not always guarantee a parking space. **IF YOU DON'T HAVE A PERMIT YOU WILL GET A TICKET!** An exception to this policy - DMV disabled person placard holders are allowed to park free in metered parking spots. Parking in any other spots requires a paid permit. Parking permits are refundable prior to first class meetings only and must be returned to receive a refund. Please park **head-in only**.

Parking at the Anaheim and Wilshire Campuses: Parking is by permit only. Vehicle permits: \$35, motorcycle permits: \$20; both are available at the SCE Front Counter. Daily passes are available for \$2 throughout parking areas.

Parking at the Cypress Campus: Parking is by permit only. Vehicle permits: \$35; motorcycle permits: \$20 both are available at the Cypress Continuing Education Office, in CE-8 (off of parking lot 4). Daily parking dispensers available throughout Campus.

Parking at the Yorba Linda Campus: Free parking!

BUS SERVICE: OCTD provides service to each of our four SCE campuses. For more information, call (714) 636-7433.

FEES

APPORTIONMENT CLASSES: These classes appear as free but are actually funded by the State. Funding is received for each hour of student attendance. The cost of offering the class is covered by these funds. The class may be cancelled if the attendance falls below the level needed to cover the costs of the class. The State has mandated that apportionment classes be offered in the following nine areas:

1. English-as-a-Second Language
2. Citizenship for Immigrants
3. Elementary and Secondary Basic Skills
4. Health and Safety
5. Course for those with Substantial Disabilities
6. Parenting
7. Home Economics
8. Courses for Older Adults
9. Short-Term Vocational

For some apportionment classes, a nominal fee is charged. This fee covers the cost of materials consumed or provided during the course.

TUITION CLASSES: Students pay a fee for these classes. Students must cover the entire cost of offering the class. These classes will not be cancelled if attendance falls low during the term.

HOW MAY I PAY FOR CLASSES?

Full payment is required at the time of registration. Cash, checks, money orders, and credit cards (MasterCard and VISA) are accepted. \$25 will be charged to any students' account where a check is returned for non-sufficient funds.

TUITION FEES: Classes NOT funded by State legislature are supported by student tuition. For instructional materials or supplies required for certain classes, you will have to pay these fees. While late registration is permissible in most classes, full payment of tuition fees is always required.

HOLDS School of Continuing Education will withhold transcripts, registration privileges or any combination hereof from any student or former student who has failed to pay all outstanding fees (from current or previous terms) or for other administrative reasons.

REFUNDS: A Refund Petition must be filled out 48 hours before the class starts. A \$10 processing fee will be deducted from ALL refunds issued (except classes canceled by the District). Term refunds will be processed two weeks after the term begins. No refunds on books or bus tours.

RECORDS

STUDENT RECORDS: California Administrative Code, Title V, and District policy states that you can review your student records at any time. All student records are located at the SCE Wilshire Campus. Transcript requests are accepted by mail (the form may be printed off of the SCE web site) or in person. Please allow 10 business days for processing.

RELEASE OF RECORDS

In accordance with the Federal Family Educational Rights and Privacy Act of 1974, SCE may release or publish, without the student's prior consent, items in the category of public (directory) information which includes name, date and place of birth, major field of study, participation in officially recognized activities in sports, weight and height (if a member of an athletic team), dates of attendance, and degrees and awards received, and recent educational institutions or agencies.

Students who wish to have this information restricted must submit a written request to the Registrar's Office at the Wilshire Center. Requests must be filed within fifteen calendar days from the beginning of each trimester a student is in attendance.

OPEN ENROLLMENT

It is the policy of the North Orange County Community College District (NOCCCD) that, unless specifically exempted by statute, every course section or class, the full-time equivalent students (FTES) attendance of which is to be reported for state aid, wherever offered and maintained by NOCCCD, shall be fully open to enrollment and participation by any person who has been admitted to the college(s) or School of Continuing Education and who meets such prerequisites as may be established pursuant to Chapter II, Division 2, part VI, Title 5 of the California Administrative Code, commencing with Section 51820.

NON-DISCRIMINATION STATEMENT

The North Orange County Community College District (NOCCCD) in compliance with all applicable Federal and State laws, does not discriminate on the basis of race, color, national origin, ancestry, marital status, age, religion, disability, sex, or sexual orientation in any of its policies, procedures, or practices. Consistent with State and Federal law and District policy, the NOCCCD forbids sexual harassment at any of its locations. The District will take preventive, corrective, and disciplinary action for any act that violates this policy or the rights and privileges it is designed to protect. The District does not discriminate against any employees or applicants for employment on the basis of their age, or because of their medical condition; nor does the District discriminate on the basis of citizenship or sexual orientation, within the limits imposed by law or District policy. This non-discrimination statement covers admission, access, and service in District programs, activities, and application for and treatment in District employment.

SEXUAL HARASSMENT, DRUG-FREE AND ALCOHOL-FREE DISTRICT POLICIES

For a copy of these policies, please refer to the SCE website at www.sce.cc.ca.us.

DISABLED STUDENT PROGRAMS AND SERVICES

SCE provides support services to enable persons with disabilities to participate in classes and programs. Support may include tutors, interpreter service, note takers, or other assistance. In addition, special classes are offered for those who are not yet ready to benefit from general continuing education offerings. See the Disabled Student Programs and Services section in this schedule for class listings or call (714) 484-7057.
