

## *A Message from SCE Provost, Dr. W. Gary McGuire*

Spring is in the air at the School of Continuing Education (SCE)! 2005 is already flying by. Now is the perfect opportunity to enroll in our classes. Increase your skills, find a new hobby, make new friends...the choice is yours.

This Spring Term we are introducing several new classes throughout SCE. In our class, "Securing Your PC for the Internet," students can learn preventative techniques to secure their Windows PC from Internet threats such as viruses, spyware, and hackers. Another class we are offering this term provides support for grandparents who are raising their grandchildren. Finally, computer assisted drafting professionals can learn the new state-of-the-art program SolidWorks at a very competitive price of \$150!

Spring is also a great time for parents to start thinking about summer classes for their children. At SCE we offer over 150 enrichment and academic preparation classes for children ages 4 – 16 through our Kids College and Teen Program. Mark your calendar now – summer classes begin the week of June 27, 2005 with registration starting June 7, 2005. Look at the back cover of this class schedule for more information about this program.

We look forward to seeing you this Spring at the School of Continuing Education!

**IN-PERSON REGISTRATION**—at any one of our sites on or after your assigned day.

**ON-LINE REGISTRATION VIA WEBSTAR**—ON-Line registration users are allowed to register for classes without the last name restrictions. This means you can register for classes on-line March 8 - 25, regardless of what letter your last name begins with. Computers for online registration are available at each SCE registration office. If you have already obtained a student ID number with us, you can register on the Internet at [www.sce.cc.ca.us](http://www.sce.cc.ca.us). Click on WebStar and use your 8-digit ID or Social Security number for your login.

**FIRST TIME STUDENTS**—can apply for a student ID number on-line on our website at [www.sce.cc.ca.us](http://www.sce.cc.ca.us). Your ID number will be emailed to you within two (2) business days. Once you receive your SCE ID number, you may register in person or on-line (see schedule below). OR, apply for your student ID number in person by coming into one of our campus locations. For faster service during peak registration periods, apply for your student ID number before registration begins.

## GENERAL INFORMATION

### SCE SCHEDULE SYMBOL KEY

AN = Anaheim Campus  
CC = Cypress College Campus  
CRN = Course Registration Number  
NC = No class will be held on  
that particular date  
WIL = Wilshire Campus (Fullerton)  
YL = Yorba Linda Campus

By district policy, "every course, course section or class shall be open to enrollment and participation by any person who has been admitted to the School of Continuing Education (SCE)".

### CLASSES

**ADMISSION TO CLASSES:** Students are admitted on a first come, first served basis. Students are not permitted to attend classes in which they are not officially enrolled. This means NO petitioning or auditing in a SCE class (ECE classes are an exception). Classes 'filled' may have a 'waiting list' already established for students wanting to attend. Non-Tuition Classes: You must attend first day of class or you may lose your spot!

**IN-CLASS REGISTRATION:** You must be present at the first meeting of any class where in-class registration takes place or you may lose your spot to someone else. A minimum number of students must attend the first class meeting. Non-tuition classes may be discontinued during the trimester if attendance drops. Tuition classes, however, will continue according to schedule once they have started. NOTE: In-class registration is on a "first come, first served" basis, so arrive on time!

**CLASS CANCELLATIONS:** If class attendance drops, classes may be cancelled.

**CLASS SCHEDULE SUBJECT TO CHANGE:** SCE has made every reasonable effort to determine that this class schedule is accurate; however, changes may occur after press time.

**CLASS ATTENDANCE:** Students are expected to attend all classes, or the class may be cancelled. Non-tuition classes may be discontinued during the trimester if attendance drops. Tuition classes, however, will continue according to schedule once they have started.

**HOLIDAY WEEKEND POLICY:** SCE knows that in exceptional situations classes may meet on a weekend preceding or following a holiday. If this happens, instructors are encouraged to discuss holiday calendars with their students, as well as advise their coordinator or dean to ensure site and classroom availability. Once approval is obtained, every effort will be made to communicate arrangements for holiday weekend classes to students, instructors and office staff. It is intended that this procedure will meet program standards and directly benefit students.

**BOOKSTORES:** The bookstore can be reached at:  
Anaheim Campus (714) 808-4675,  
Cypress Campus (714) 484-7336,  
Wilshire Campus (714) 992-7557

**WHERE DO YOU REGISTER?** No matter where the class is held, students can register at any of the four SCE campuses: Anaheim (Second Floor), Cypress (Pkg Lot 4: Bldg CE8-5), Wilshire (Bldg 100), Yorba Linda (Bldg 100). **You may also register on-line at [www.sce.cc.ca.us](http://www.sce.cc.ca.us) by following the WebStar Registration Instructions on the web.**

**CHILDREN IN CLASS:** No children are to attend adult classes.

**NAME CHANGE:** Students are encouraged to visit one of the SCE campuses to request a name change prior to registration. Students must provide a picture ID when requesting a name change. No name changes will be made during the two weeks of registration.

**MINOR STUDENTS:** SCE classes are open to those 18 years or older who have been admitted to SCE and are not attending school. Students under 18 who have not graduated from high school may infrequently be permitted to attend under special circumstances. It is advisable to contact the administrator (Dean or Provost) at the site where the class is offered prior to obtaining the required permission letter from the school the minor student is currently attending. If permission to enroll is granted by the Dean or Provost, the minor student may enroll only after the regular registration period so that priority is given to adult students. Children of any age may take Kids' College classes as indicated in the course descriptions.

#### **PARKING**

**PARKING FEES:** Permit parking spaces are limited. Remember a parking permit does not always guarantee a parking space. IF YOU DON'T HAVE A PERMIT YOU WILL GET A TICKET! An exception to this policy - DMV disabled person placard holders are allowed to park free in metered parking spots. Parking in any other spots requires a paid permit. Parking permits are refundable prior to first class meetings only and must be returned to receive a refund.

Parking at the Anaheim and Wilshire Campuses: Parking is by permit only. Vehicle permits: \$35, motorcycle permits: \$20; both are available at the SCE Front Counter. Daily passes are available for \$2 throughout parking areas.

Parking at the Cypress Campus: Parking is by permit only. Vehicle permits: \$35; motorcycle permits: \$20 both are available at the Cypress Continuing Education Office, in CE-8 (off of parking lot 4). Daily parking dispensers available throughout Campus.

Parking at the Yorba Linda Campus: Free parking!

**BUS SERVICE:** OCTD provides service to each of our four SCE campuses. For more information, call (714) 636-7433.

#### **FEES**

**HOW MAY I PAY FOR CLASSES?** Full payment is required at the time of registration. Cash, checks, money orders, and credit cards (MasterCard and VISA) are accepted. \$25 will be charged to any students' account where a check is returned for non-sufficient funds.

**TUITION FEES:** Classes NOT funded by State legislature are supported by student tuition. For instructional materials or supplies required for certain classes, you will have to pay these fees. While late registration is permissible in most classes, full payment of tuition fees is always required.

**HOLDS** School of Continuing Education will withhold transcripts, registration privileges or any combination hereof from any student or former student who has failed to pay all outstanding fees (from current or previous terms) or for other administrative reasons.

**REFUNDS:** A Refund Petition must be filled out 48 hours before the class starts. A \$10 processing fee will be deducted from ALL refunds issued (except classes canceled by the District). Term refunds will be processed two weeks after the term begins. No refunds on books or bus tours.

#### **RECORDS**

**STUDENT RECORDS:** California Administrative Code, Title V, and District policy states that you can review your student records at any time. All student records are located at the SCE Wilshire Campus. Transcript requests are accepted by mail (the form may be printed off of the SCE web site) or in person. Please allow 10 business days for processing.

### *How to Register for free ESL Classes*

#### **First Time Students Only:**

First Time students register on a first-come, first-served basis, as space is available. Follow these easy steps:

**Step 1:** Select which campus to attend-- Anaheim, Cypress, or Wilshire (Fullerton)

**Step 2:** Review the test locations, dates and start times. Arrive at the campus you have selected at least 30 minutes before the scheduled test time. Bring \$2.00 to purchase a temporary, one-day parking permit from the machines located in the parking lots. Seating in the testing rooms is limited; students who do not get in for their selected test time, will have to wait for the next scheduled time.

#### **SCE Campus**

*CYPRESS:* Tues, April 5  
LOCATION: CE-12; Parking Lot 4  
TIMES: 8:30 am, 10 am, 4 pm, 6 pm

*ANAHEIM:* Wed, April 6  
LOCATION: 1st Floor Entrance  
TIMES: 8:30 am, 9:30 am, 10:30 am, 4 pm, 5 pm, 6 pm

*WILSHIRE:* Thurs, April 7  
LOCATION: Building 200  
TIMES: 8:30 am, 9:30 am 10:30 am, 4 pm, 5 pm, 6 pm

**Step 3:** First Time students must be assessed (tested) to determine their English level. Allow approximately 2 hours for testing & registration processing. Children are NOT allowed in the testing rooms. Children may not be left unattended while on the SCE campuses.

**Step 4:** Students, who do not attend classes by April 25, will be dropped from the class and new students from the wait list will fill the vacated seats.

#### **Continuing Students**

Continuing students who attended Winter 2005 term regularly will be automatically enrolled for Spring 2005 Term. Continuing students who have not attended ESL classes since Spring 2004 and whose names do not appear on the Winter 2005 class rosters should come during 'On-going Registration' (see below). Continuing students will NOT be enrolled during April 5, 6, and 7 registration for First Time students.

#### **On-going Registration**

ESL classes do fill each term; however, if seats are available, students who miss the registration periods may register during the term after the term starts. Please allow approximately two hours for testing and registration processing. Register at the following:

*ANAHEIM:* Mon ONLY - April 25; May 2, 9, 16, 23, June 6  
LOCATION: ESL Lab, room 121;

LOCATION: Room 214  
TIMES: 5 pm, 7 pm

### ***Como inscribirse para las clases de Ingles gratis***

Estudiantes que vienen por primera vez se inscribiran en el orden en que se presenten y si hay espacio en la clase. Siga los siguientes pasos.

**Paso 1:** Seleccione a cual escuela desea atender: Anaheim, Cypress, o Wilshire (Fullerton).

**Paso 2:** Revise las localidades, horas y dias donde se ofrecen los exámenes. Llegue a la escuela que usted haya seleccionado por lo menos media hora antes de que se inicie el examen. Traiga dos dolares (\$2.00) para que compre un permiso temporal de estacionamiento. El espacio en el salon de evaluacion es limitado. Los estudiantes quienes no logren presentar la evaluacion en el horario de su preferencia, deberan esperar hasta el siguiente horario.

#### **SCE Campus**

**CYPRESS:** martes, abril 5  
Estacionamiento 4

HORARIO: 8:30 am, 9:30 am, 10:30 am,  
4 pm, 5 pm, 6 pm

**Paso 3:** Los estudiantes que vienen por primera vez, deben de presentar un examen para determinar su nivel de ingles. El proceso de evaluacion e inscripcion dura aproximadamente dos horas. No se permiten ninos dentro de los salones de evaluacion. No se permite dejar a los ninos desatendidos en el centro escolar.

**Paso 4:** Los Estudiantes que no hayan asistido a clases hasta el 25 de abril, seran dados de baja de la clase y el espacio vacante sera reemplazado por nuevos estudiantes. Estudiantes Continuos  
Los estudiantes que asistieron regularmente a clases durante el trimestre de invierno del 2005, seran registrados automaticamente para el trimestre de primavera del 2005. Estudiantes previos que NO asistido a clases desde la primavera del 2004 y cuyos nombres no aparecen en las listas, de invierno 2005, deben de venir a las inscripciones continuas (mas informacion en la parte inferior). Estudiantes previos NO seran registrados durante los dias 5, 6, y 7 de abril, ya que estas fechas estan asignadas unicamente para estudiantes nuevos.

#### **Inscripciones Continuas**

Las clases de Ingles se llenan en su totalidad en cada termino, sin embargo, si hubiese espacios disponibles los estudiantes que no se registraron durante la fecha estipulada podran registrarse despues de que el trimestre haya iniciado. ## SCE Student Spotlight

### *Donald Belmont Literacy Program*

In his retirement, Donald Belmont decided that he wanted to learn to read. Because he lacked formal education beyond elementary school, he could recognize letters but often had difficulty recognizing words. Donald heavily relied on others to perform tasks that required literacy. However, since coming to the Literacy Lab at the NOCCCD Anaheim Campus nearly one year ago, Donald can now read and write! His instructor, **Vesna Barrett**, comments "Donald is an enthusiastic learner and is extremely excited about reading and the whole new world that reading has opened up for him." Donald often shares his enthusiasm with his fellow classmates, encouraging them to read. *For more information about the Literacy Program, please call 714-808-4582 or visit the web site at [www.sce.cc.ca.us](http://www.sce.cc.ca.us).*

## **SPOTLIGHT ON THE... Administrative Assistant Certificate Program**

### Role of Administrative Assistants

As technology continues to expand in offices across the nation, the role of the office professional has greatly evolved. Office automation and organizational restructuring have led secretaries and administrative assistants to assume a wider range of new responsibilities once reserved for managerial and professional staff. In the midst of these changes their core responsibilities have changed from manual to electronic – performing and coordinating an office's administrative activities and storing, retrieving, and integrating information for staff and clients.

Secretaries and administrative assistants are responsible for a variety of administrative and clerical duties necessary to run an organization efficiently. They serve as an information manager for an office, schedule meetings and appointments, organize and maintain paper and electronic files, manage projects, conduct research, and provide information via the telephone, postal mail, and e-mail. They also increasingly use personal computers to create spreadsheets, compose correspondence, reports and documents as well as presentations using graphics.

### Training at NOCCCD School of Continuing Education Includes:

- Keyboarding
- Introduction to Computers
- Windows XP
- Microsoft Word
- Microsoft Excel
- Microsoft PowerPoint
- Telephone Techniques
- Filing
- Business Mathematics
- Communication and Problem Solving
- Spelling
- Proofreading
- Internet & E-mail
- Employment Skills

All new students beginning the Administrative Assistant Certificate Program must attend an orientation. Orientation will provide students with an overview of the program, job opportunities in the field, recommended sequence of courses and requirements. For more information, call (714) 808-4681.

This program consists of classes six weeks in length, that provide a student with the knowledge and skills needed to enter the job market as an entry-level computer/network technician. This program will also prepare the student for the A+ program offered by SCE. The course sequence is recommended for students seeking the skills necessary to work with PC's in a network environment. Students with little or no training in the computer field should take the complete series of classes to gain the necessary skills to work in the field. The first two courses may be taken concurrently. Students completing the full series of courses will earn the Information Technology Support Specialist program certificate. For students who have previous experience, the courses may be taken on their educational needs. These courses are designed to offer students a cost and time effective method in acquiring the knowledge necessary to enter the computer or network repair field and the ability to add to the skill set they already possess. Future classes will be added to assist students looking to prepare for MCSE exams and other topics of special interest to computer and network technicians.

### INTRODUCTION TO UNIX COMP/300

*Prerequisite: Previous Windows operating system and internet experience.* This hands-on course teaches the fundamentals of the UNIX operating system from a new user's point of view, and lays the foundation for a future UNIX course. Students will learn several stand alone and network UNIX commands, the structure of the operating system, the file system and the jargon. Students will also get a strong feel for UNIX's powerful features and will learn where to turn for help by using UNIX's rich electronic help utility. Ample lab exercises provide an excellent complement to the lecture material.

## TDI BUSINESS PROFILE

### The Center for Applied Competitive Technologies Teams Up With the Institute of Industrial Engineers to Meet Workforce Needs

When the Institute for Industrial Engineers (IIE) was forming their Orange County chapter, the group was looking for strategic partners with similar organizational missions to promote professional development in the areas of "quality" and productivity management. The IIE did not have to look long or far to find a more fitting partnership with the North Orange County Community College District's (NOCCCD) Center for Applied Competitive Technologies (CACT).

The CACT, a grant-funded program within the NOCCCD's Training and Development Institute, provides professional workforce training in the areas of manufacturing and information technology. **Jim Kennedy**, CACT Program Director, mentions that through the IIE partnership a training program was developed that was focused on the topics that are important for state-of-the-art manufacturing facilities, which included: lean enterprise, total quality management-six sigma, purchasing and supply management, project management and inventory controls, focused on topics that are important for state of the art manufacturing facilities.

Companies that have an interest in this cutting-edge training, such as Boeing, Northrop Grumman, Southern California Edison, Disneyland and many other small to medium sized manufacturers, enrolled employees in the program.

"Participants can attend these workshops and have real world examples of processes that they can then implement on the job," said **Al Morelli**, President of the IIE Orange County.

## HAZWOPER Classes

### Hazardous Waste Operator Emergency Response

If you are interested in any of these classes, call:

**Perla Fickenschner (714) 808-4620**

**or Taffy Kennedy (714) 808-4613**

Training is mandated by OSHA and is essential for people in environmental consulting, occupational safety, environmental health, police and fire departments, public health inspectors, and all parties dealing with hazardous waste. This 40-hour training will give you the knowledge necessary to conduct "real life" day-to-day operations at regulated and unregulated hazardous waste facilities or respond to terrorist events. This includes chemical spills, gas station remediations, abandoned chemical and waste sites and/or clandestine drug labs. The donning of PPE (personal protective equipment) is an important aspect of this course.

## Homeland Security Classes

### Homeland Security Classes

If you are interested in any of these classes, call:

**Perla Fickenschner (714) 808-4620**

**or Taffy Kennedy (714) 808-4613**

#### Offerings in Homeland Security:

- o Ready America – 4 Hr. geared for individuals
- o Ready Business – 24 Hr. Certificate of Completion Program
- o Personal Protective Equipment PPE and Fit Testing – 3 hrs
- o Decontamination Procedure DECON – 3 hrs
- o Hazard Communication – 4 hrs.
- o Business Emergency Preparedness Certificate Program 24 Hr.
- o Standardized Emergency Management System SEMS – 40 Hr
- o Incident Command System ICS – FEMA Certified 24 Hr.
- o Hospital Emergency Response Training HERT- FEMA Certified 32 hrs

### READY AMERICA - FOR INDIVIDUALS

**(4 HOURS):** Terrorists are working hard to obtain biological, chemical, nuclear, and radiological weapons. The threat of an attack is real and Homeland Security is working hard to strengthen our nation's security. American citizens should begin a process of learning about potential threats so we are better prepared to react during an attack. While there is no way to predict what will happen, or what your personal circumstance will be, this training will show simple things that you can do now to prepare yourself and your loved ones.

*Classes offered March 4, March 18, April 1, April 15, May 11, June 2*

### READY AMERICA CERTIFICATE COMPLETION PROGRAM – FOR

**BUSINESSES (24 HOURS):** How quickly your company gets back to business after a terrorist attack or any natural event often depends on emergency planning done today. Lessons learned from the World Trade Center attack on 9/11 demonstrate the importance of being prepared. The current international political climate demands that preparedness is a critical issue. Though each situation is unique, any organization can be better prepared if it plans carefully, puts emergency procedures in place, and practices for all kinds of emergencies. If businesses are ready to survive and recover, it is imperative and that our nation and our economy are secure. This 3 day workshop offers a certificate of training for businesses, providing practical information to plan for your company's future.

*Classes offered March 16, 17, 18, 2005*

### STANDARDIZED EMERGENCY MANAGEMENT SYSTEMS SEMS (40

**HOURS):** All state government agencies must use SEMS when responding to multi-jurisdictional or multi-agency emergencies. All local government must use SEMS in multi-jurisdictional or multi agency emergency response to be eligible for state reimbursement of response related personnel costs. SEMS utilizes the Incident Command System ICS. SEMS allows emergency response agencies to operate within a clear and consistent organizational structure and it facilitates priority setting, interagency cooperation, and the efficient flow of resources and information.

*Classes offered TBA.*

### PERSONAL PROTECTIVE EQUIPMENT PPE AND FIT TESTING (3 HOURS):

PPE's are worn by response teams during a Haz Mat incident or a weapon of mass destruction event. This training includes ID components of PPE, factors that contribute selection of specific PPE, information on four levels of protection, basic steps in donning and doffing, and key procedures in the inspection of PPE.

*Class offered March 30, 2005*

### DECONTAMINATION OR DECON (3 HOURS):

Process of removing or neutralizing contaminants that have accumulated on personnel and equipments. Decontamination is critical to worker's health & safety at hazardous waste sites. It protects workers from hazardous substances that may contaminate and eventually permeate the protective clothing, respiratory equipment, tools, vehicles, and other equipment used on site.

*Class offered April 6, 2005*

### BUSINESS EMERGENCY PREPAREDNESS CERTIFICATE

#### PROGRAM (24 HOURS):

- o Personal Protective Equipment PPE and Fit Testing
- o Decontamination Procedure DECON
- o Physical and Health Hazard Communication for Chemical on Site
- o Disaster/Emergency Management and Business Continuity Program
- o Ready America – geared for employees

*Classes offered May 4, 5, 6, 2005*

#### **HAZARD COMMUNICATION (4 HOURS):**

If there is a terrorist attack to a business that has hazardous materials on site, it is important that employees and workers know the physical and health hazards of the hazardous chemicals located on their premises. Hazard Communication (HazCom) is one of the requirements of the Occupational Safety and Health Administration (OSHA) that inform employees the potential hazards in the workplace and includes reading warning labels and digesting information on the Materials Safety Data Sheets. It also includes information on hazard protection, prevention, and what to do in case of spills.

*Class offered April 13, 2005*

#### **DISASTER/ EMERGENCY MANAGEMENT AND BUSINESS CONTINUITY PROGRAM**

**(4 HOURS):** This training is based on the National Fire Protection Association NFPA 1600 Standards. The standard provide guide on developing document relating to preparedness for, response to, and recovery from disasters resulting from natural, human or technological events. It provides standardized basis and program approach for disaster/ emergency management and business continuity in private and public sectors by providing common program elements, techniques and processes. In addition, it contains provision for enhance capabilities for disaster/ emergency management and business continuity programs so that the impacts of a disaster would be mitigated, while protecting life and property.

*Class offered TBA.*

#### **INCIDENT COMMAND SYSTEM (ICS) (24 HOURS):**

is the model tool for command, control, and coordination of a response and provides a means to coordinate the efforts of individual agencies as they work towards a common goal of stabilizing the incident and protecting life, property and the environment. Federal law requires the use of ICS to HazMat incidents (for example, biohazards, chemical terrorism, spills, and other hazardous materials). By the year 2005, it is federally mandated that states and other public/ local agencies adopt ICS as standard for responding to incidents. *Classes offered TBA.*

#### **HOSPITAL EMERGENCY RESPONSE TRAINING (HERT) (32 HOURS):**

for Mass Casualty Incidents (MCI) is designed to provide guidance to hospitals, EMS, health care facilities and citizens who may become involved in a mass casualty incident as a result of a hazardous materials incident (HMI) or weapons of mass destruction (WMD) event. Unlike many courses of this nature, the HERT/MCI expands on the hospital incident management system (HIMS), addresses chemical protective clothing and equipment (CPC&E) requirements, and presents guidance for hospital emergency response team (HERT) design, development and training. This course prepares HERT to conduct safe and effective emergency response during mass casualty incidents (MCI). This is a hands-on course. Participants must be physically and psychologically fit to wear CPC&E (level C ensemble) during the training. *Classes offered TBA.*

## **DISABLED STUDENT PROGRAM & SERVICES**

### **SCE STUDENT SPOTLIGHT**

**Nicole Jensen**

#### **Disabled Students Program**

Nicole Jensen is developmentally disabled and tried all her years to learn to read. Her persistence and dedication as an adult finally prevailed. For many years, Nicole had difficulty staying focused in class. It appeared Nicole needed something to challenge her mind and so her instructors began to teach her to read, although it is not commonly taught in this class level. Nicole became very devoted to practicing reading daily at her break time in the classroom, in the evenings at her group home, and other the weekends with her family. Because of her motivation to regularly practice, Nicole began to decode words and eventually reading 30-page books, tasting the success that comes with learning. Nicole not only has begun to learn an adult-appropriate survival skill, but also a leisure time activity that will bring her hours of enjoyment and stimulation. Her instructor, Barbara Anderson, noted that Nicole is an excellent example to her peers, showing them that hard work always pays off. *For more information about the Disabled Students Program and Services, please call 714-484-7057 or visit the web site at [www.sce.cc.ca.us](http://www.sce.cc.ca.us).*

### *SCE Instructor Profile*

*Phil Famolaro and his students utilize their classroom skills in the community such as in this photo of the Paint Your Heart Out Anaheim event.*

### *Phil Famolaro Construction Education Program*

Phil Famolaro has dedicated his life to service and teaching. Phil served in the United States Navy as a radar repair specialist and then a teacher in the same field. Once out of the service, Phil worked at Hughes Aircraft for 27 years as an electrical engineer and then as a teacher in their training department.

In 1989, Phil retired early and took up teaching at the North Orange County Community College District (NOCCCD). His years of experience, training and service, along with his positive attitude, led him to be one of the favorite instructors among continuing education students. For the past 15 years, Phil has been an integral faculty member in the construction inspection program as well as classes in electronics and entrepreneurial ventures such as "How to Establish a Small Business". A true promoter of education, Phil has two Bachelor's degrees in Electrical Engineering and Accounting and is half-way through his MBA.

His teaching extended to his home life where he and his wife, fellow NOCCCD teacher Carolynne, raised nine children and are now grandparents to 17. Phil's orientation to service is more active today than ever as he leads his classes in home-building/repairing collaborations with Habitat for Humanity nearly five times a year and once a year with Paint Your Heart Out Anaheim.

"I believe that it is a true gift to be able to find your passion in life and then to actually have the courage to do it," said Phil. "I enjoyed working in Aircraft industry, but teaching, well, this is my passion!" *For more information about the Construction Education Program, please call 714-808-4668 visit the SCE web site at [www.sce.cc.ca.us](http://www.sce.cc.ca.us)*

*Early Childhood  
Education Certificate  
Program (ECE)*

The SCE Early Childhood Education program is designed to train individuals for teacher and caregiver positions in licensed, proprietary infant/toddler/preschool/child daycare centers. Our curriculum is approved by the State Department of Community Care Licensing. This ECE program is a non-credit program based upon instructional hours rather than college units. The required and elective ECE courses within the certificate program are equivalent to two units of ECE in compliance with State licensing requirements for private facilities only.

A certificate is issued upon completion of six ECE required courses and three ECE electives, plus Pediatric First Aid & CPR training. Classes taken at accredited institutions may be substituted partially for required and/or elective courses toward the certificate.

**WHEN to register:** NEW students should enroll during the Registration period. (see registration information on page 1). It is recommended that students begin with **Early Childhood Development or Program Principles I**.

**FIRST NIGHT ATTENDANCE:** To secure your place in class, you must attend the class the first night. If you are not in class ONE HOUR after the scheduled starting time your spot could be reassigned to a petitioner, but classes may be petitioned the second night of class. No enrollments after the second class session.

**ORIENTATION:** All NEW students beginning the Early Childhood Education (ECE) certificate program are required to attend the ECE Orientation. Orientation will provide students with an overview of the ECE programs, job opportunities in the field, sequence and course requirements. An educational self-survey will be done for the purpose of advising students and providing support learning services where necessary. Follow these steps to schedule an appointment for Orientation:

**STEP 1:** Call (714) 808-4681 for orientation information.

**STEP 2:** Leave your name and phone number to make the required appointment for this date and time-

**Thursday, March 3, 6 -8 pm Board Room,  
1st Floor, Anaheim Campus**

There will be no need for us to call you back. **STEP 3:** Arrive at Orientation ON TIME - Late arrivals will not be able to attend. Bring \$2.00 to purchase a temporary, one-day parking permit from the yellow parking machines located in the parking lots. Children are NOT allowed in the Orientation.

## KIDS' COLLEGE & TEEN PROGRAM

Classes are held at our four campuses: Anaheim, Cypress College, Wilshire (Fullerton) and Yorba Linda. Enrollment is limited. Registration will continue until a class is full. For more information, call 714.484-7038. Parents are responsible for their own children. Please arrive 10 minutes before class lets out to pick up your child! Each child should be accompanied by an adult to the first class to check exact classroom location and future drop-off and pick-up points.

Please complete an emergency form for each child registering for Kids' College and the Teen Program. **REFUNDS:** Refund petition must be filled out 48 hours before a class starts. A \$10.00 processing fee will be deducted from ALL refunds issued (except classes cancelled by the District). Choose classes wisely, no refunds if parent enrolls child in the wrong grade or level. Classes are subject to cancellation for low enrollment.

Classes begin Saturday, April 16. No classes Memorial Day weekend May 28 - 30. \*Please check at office for supply lists for specific classes.\*

**OPEN ENROLLMENT**

It is the policy of the North Orange County Community College District (NOCCCD) that, unless specifically exempted by statute, every course section or class, the full-time equivalent students (FTES) attendance of which is to be reported for state aid, wherever offered and maintained by NOCCCD, shall be fully open to enrollment and participation by any person who has been admitted to the college(s) or School of Continuing Education and who meets such prerequisites as may be established pursuant to Chapter II, Division 2, part VI, Title 5 of the California Administrative Code, commencing with Section 51820.

**NON-DISCRIMINATION STATEMENT**

The North Orange County Community College District (NOCCCD) in compliance with all applicable Federal and State laws, does not discriminate on the basis of race, color, national origin, ancestry, marital status, age, religion, disability, sex, or sexual orientation in any of its policies, procedures, or practices. Consistent with State and Federal law and District policy, the NOCCCD forbids sexual harassment at any of its locations. The District will take preventive, corrective, and disciplinary action for any act that violates this policy or the rights and privileges it is designed to protect. The District does not discriminate against any employees or applicants for employment on the basis of their age, or because of their medical condition; nor does the District discriminate on the basis of citizenship or sexual orientation, within the limits imposed by law or District policy. This non-discrimination statement covers admission, access, and service in District programs, activities, and application for and treatment in District employment.

## FULLERTON COLLEGE CHILD CARE CENTER
